- Submission must be only done as a WORD DOCUMENT. HANDWRITTEN or Picture clicked submissions will not be accepted.
- Plagiarism limit is 10 to 15 %. Submissions not following the guidelines are subject to deduction in marks. Kindly ensure you submit WELL WRITTEN, REVISED and Plagiarism free assignment with word limit. All the Best!

Assignment 1

- Choose a current news article, video clip, or social media post related to a current issue that interests you. Examples could include political campaigns, social justice movements, climate change, or international relations. Be sure to choose a source that uses persuasive strategies to sway the audience's opinion.
- Analyze the source and identify at least three persuasive strategies used by the media. Examples could include appeals to emotion, use of authority, repetition, logical fallacies, or loaded language.
- Write 500 words in which you discuss the persuasive strategies you identified and evaluate their effectiveness. In your evaluation, consider the intended audience and the impact the strategies have on shaping their opinions.
- Consider potential counterarguments to the position presented in the source and address them in your essay.
- Use at least two credible sources to support your analysis and evaluation.

Assignment 2:

Submit a REFLECTIVE ESSAY (500 words).

Your essay must reflect upon and consist of the following points:

- Learning takeaways from the course.
- Your evolution as a Critical thinker and learner while making decisions and choices/preferences.
- Were you able to use the curriculum knowledge in your learning process?
