

## EDGE ASSIGNMENT SWOT ANALYSIS EXERCISE

**Name: Hitendra Sisodia**  
**Sap id- 500091910**  
**Course-B.Tech(CSE spl.CC&VT)**

### Strengths

- **Proficient in multiple programming languages:** I am proficient in multiple programming languages, including Python, Java, and C++. I am able to code complex logic and create efficient and effective programs.
- **Strong foundation in data structures and algorithms:** I have a strong foundation in data structures and algorithms. I am able to design and implement efficient data structures and algorithms to solve problems.
- **Active Listener:** I am an active listener. I attentively listen to the instruction given by the teacher, friends, or any other speaker
- **Determined to succeed and willing to put in the time and effort to achieve goals:** I am determined to succeed and I am willing to put in the time and effort to achieve my goals. I am a hard worker and I am always looking for ways to improve my skills and knowledge.

### Weaknesses

- **Difficulty saying no to others:** I have a hard time saying no to others, even when it means sacrificing my own time or goals. I am often afraid of disappointing people or letting them down. To over this weakness I usually practice saying no to requests that are not aligned with my goals.
- **Unable to adapt to changes:** I am usually particular about a thing, but when changes are made, it makes it more difficult to adapt. I find it hard to adjust to new situations and I often resist change. This can be a weakness in my personal and professional life.  
I overcome this weakness by talking to my friends and family members, who provide me with different perspectives and solutions to my problems.
- **Focusing on the negative consequences of taking action:** I tend to focus on the negative consequences of taking action, which can lead to procrastination or not taking action at all. I am often afraid of making mistakes or failing.  
I can overcome this weakness by challenging my negative thoughts, taking small steps, and rewarding myself for taking each and every action.

## EDGE ASSIGNMENT SWOT ANALYSIS EXERCISE

- **Overthinking:** Especially when it comes to the past and future. This can lead to anxiety, stress, and difficulty making decisions. To overcome this weakness, I am working on being more present in the moment and focusing on the things that I can control. I am also trying to be more mindful of my thoughts and challenge the negative ones.

I receive a variety of feedback from my peers, both positive and negative. Some of the positive feedback I receive includes:

I am a hard worker.

I am always willing to help others.

I am a good listener.

I am creative and innovative.

### Opportunities

- **Build relationships:** Build relationships with industry experts who can provide guidance and support for career development: I can build relationships with industry experts who can provide guidance and support for my career development. These experts can help me to learn new skills, network with other professionals, and get advice on my career goals.
- **Stay up-to-date:** on the latest technological advancements and use them to one's advantage in one's career: I can stay up-to-date on the latest technological advancements and use them to my advantage in my career. This will help me to stay ahead of the competition and be more successful in my career.
- **E-commerce:** With the rise of online shopping and the ongoing COVID-19 pandemic, there has been a significant shift toward e-commerce. As a result, there are many opportunities for individuals to start their own online businesses or to leverage e-commerce platforms to sell their products or services.
- **Remote work:** The pandemic has also led to a significant increase in remote work, with many companies and individuals now working from home. This presents opportunities for individuals who can provide remote work solutions, such as virtual assistants, freelance writers, and online tutors.

### Threats

- **Fear of failure:** I am afraid of failing, which can prevent me from taking risks and pursuing new opportunities. I am often afraid of making mistakes or not being good enough.

## **EDGE ASSIGNMENT**

### **SWOT ANALYSIS EXERCISE**

To over this threat I usually remind myself that failure is a normal part of the learning process. It is important to take risks and to learn from your mistakes.

- **Procrastination:** I sometimes struggle with procrastination, which can lead to increased stress and decreased productivity. **Perfectionism:** I have a tendency to be a perfectionist, which can sometimes lead to procrastination or a fear of failure.
- **Rapid change in the tech industry:** The tech industry is constantly changing, which can make it difficult to keep up with the latest trends. This can make it difficult to find a job or be successful in my career.
- **Unsupportive friend circle:** My friend circle may not be supportive of my career goals, which can make it difficult to stay motivated. They may not understand my goals or they may not be willing to help me achieve them.
